LAUDATO SI: A CALL TO ECOLOGICAL CONVERSION

Ecological Spirituality

springs from a profound ecological conversion and helps us to "discover God in all things," both in the beauty of creation and in the sighs of the sick and the groans of the afflicted, aware that the life of the spirit is not dissociated from worldly realities.

DEEDS: A CALL TO ACTION

Focusing on our First Nations Sisters and Brothers:

- Connect with a local Elder to deepen your knowledge of your local area's history
- Consider ways that you can support Aboriginal and Torres Strait Islander cultural education programs.
- Take time out of your day to connect with the sacred ground we share.
