

We, Presentation people, commit to respond to the cry of Earth and to people made poor by embracing the Sustainable Development Goals, providing us a plan of action for living the values of Nano's life. IPA Mission Statement

# Hope

## LAUDATO SI: A CALL TO ECOLOGICAL CONVERSION

### The response to the Cry of the Poor

is a call to promote eco-justice, aware that we are called to defend human life from the moment of conception to death, and all forms of life on Earth  
[\(Laudato Si Goal 1\)](#)

## DEEDS: A CALL TO ACTION

- Support local growers by attending or buying fresh produce from a local market
- Start a sustainability project in your school, workplace or community
- Spend some time picking up rubbish along a beach or a local waterway
- Make a change in your household that contributes to Climate action

## WORDS: A CALL TO REFLECT

We are challenged today to come to a fuller understanding of "Our Universe Story", to come to deeper appreciation of our Earth as Sacrament, a Sacrament revealing the Wisdom of Creation that began in a burst of "Burning Love"... The Universe continues to reveal the Grandeur of God.

Queensland Congregation Assembly,  
2012

**How are you challenged to provide hope for the future by living more sustainably this month?**
