**PRESENTATION**  
Australia

**"Our mission is to speak and act in partnership with others for global justice from a contemplative stance in a spirit of oneness with the whole of creation." *IPA Mission Statement***

## Quote

"If I could be of any service in saving souls in any part of the globe, I would willingly do all in my power." *Nano Nagle 1769*

## Story of Impact: Snapshot of our work (The Holy Land)

Julie is a Presentation Sister who works on mission in the Holy Land. She says, "I have been partnering with two Comboni Sisters in the Bedouin Camps since October 2022... Their ministry primarily involves supervising several Bedouin kindergartens and an after-school care program. They also reach out to families in other camps, making connections and letting the people know that we are there to support them... I carry my nursing bag, equipped with the tools to check blood pressure and blood sugars, and to perform other nursing duties."

*IPA Strategy 2024-2026, p.10*

## UN Connection

"Every hour of every day, the United Nations is delivering aid to alleviate the suffering of people caught in crises across the globe. This incredible response is driven by individuals who put themselves on the front lines to help women, men and children in desperate need to survive war or natural disasters or rebuild lives from the rubble. These are ordinary people doing extraordinary work. They have what it takes to help the world live up to its commitment to save and improve lives."
