Presentation Day
21 November

Nano Nagle drew inspiration and strength from the story of the *Presentation of Mary in the Temple*. The feast of *Mary of the Presentation* is celebrated each year on 21 November. On this day, Presentation people around the world connect as one community prayerfully and joyfully.

Today, we pray,

with Mary and Nano,

that this life

to be lived as we choose

is

loving

compassionate

hopeful

and just.

God ever loving us into life

bless us

in our living, learning and leading.
